

2019 RMBF Food Vendor Agreement

As a participant in the 2019 Rocky Mountain Beer Festival (RMBF), I fully understand and agree to the following:

I recognize and acknowledge that I assume full risk of any injury, property damage or loss which I may sustain as a result of my participation in any and all activities connected with or associated with my participation in RMBF. Furthermore, I understand that I should carry my own insurance and that I store my products at my own risk.

I agree to waive and relinquish all claims I may have against BCE and all associated sponsors and staff of RMBF and agents thereof from any and all claims other parties may have resulting from injuries, damage, or loss caused by, arising out of, connected with, or in any way associated with the activities of RMBF.

I will comply with all City/County Department of Public Health regulations and I understand that failure to comply with City/County Department of Public Health regulations may result in being asked to leave RMBF. I understand that, in the event of RMBF cancellation due to weather and/or other unforeseen issues, any vendor fees will not be refunded.

I agree that I am responsible for obtaining a Sales Tax License for the City of Louisville and/or Boulder, as well as a Mobile Food Vendor License for the City of Louisville and/or Boulder if I plan to operate out of a truck/trailer.

I agree that I am responsible for the transportation, insurance and sale of products. I also understand that I am responsible for collecting and reporting sales tax on all transactions made during the events.

I agree to be present for all hours of RMBF and I agree that if I have not set up by the event start time the day of the event, or if I leave early, I forfeit my booth space. I agree that all demonstrations and exhibits may be photographed for publicity purposes.

I have read through the application and I agree to abide by all rules set forth in this agreement.

Zero Waste Participation Agreement

The goal at a Zero Waste event is to plan ahead and only distribute materials that are locally recyclable or compostable (no materials that have to be landfilled). During the event you will be asked to remove any non-compliant materials. It is also important for you to properly sort the waste generated during your operations. For this task, you will be provided with a 3-bin Zero Waste Station to sort compost, recyclables and "back-of-house" trash.

You can also contact Michael Puretz with Boulder Creek Events via email:
mike@bce.events.
